Central Dining Services - Donations Policies and Procedures:

Dining Services has limited funds to utilize for Donations; although many causes are very valuable and should be contributed to, Dining Services cannot contribute to everything. In order to ensure a consistent and fair process, this policy has been developed. If seeking donation from specific Dining Services Operation please refer to Policy 122.

Procedure:

1. Priorities in awarding donations are as follows:
   a. Student Groups
   b. University Events
   c. Other Non-University Associated Events

   a. Above Priorities
   b. Type of Event
   c. Regular Customers of University Catering and Dining Services

3. Donation Request Forms should be turned into the Dining Services Office (TSC 232 or via fax 435-797-1739) no later than the third Tuesday of the month BEFORE the date of the event in order to ensure that they will be considered and to allow time to coordinate the event. It is in the requestor’s best interest to turn it in sooner if possible. Donation Request Forms can be obtained at the Dining Services’ Office or on the Dining Services website at www.usu.edu/dining.

4. Requests for the following month will be reviewed on the third Wednesday of each month and funds will be allocated for the following month. The group should expect to be notified no later than Wednesday on the week before the planned event.

5. Requesting group will be expected to list Dining Services as a sponsor on all advertising before and during the event. Upon approval requesting group will be emailed a logo to use. Failure to do so may affect the organization’s ability to receive donations from Dining Services in the future.
